

ALL-IN-ONE GAME MONETIZATION TOOLKIT

We are here to take care of global payment processing, sales tax, legal compliance and distribution, while you work on your game. All of that at a flat fee of 3%.

sales@1d3.com

WE'VE GOT YOU COVERED

Accept payments

Let your users pay the way they want. Cards, Apple Pay, Google Pay and local payment methods.

Avoid high platform fees

Build additional income streams free from 30% commissions. All we charge is a 3% distribution fee.

Stay on top of your sales tax

Let us handle your VAT payments across the globe. Our tax management system automatically calculates and pays VAT for every country.

Eliminate fraud

Detect and stop 99% of fraud attempts with our customizable Anti-fraud module.

Make wise decisions

Use the analytics module to study payment behaviours, detect trends and build reports.

Start fast, grow big

Quick and easy integration. Mobile SDK for in-app payments. Custom landing page for promotion.

GO GLOBAL, GO WITH 1D3

Monetize globally

Use a single checkout for over 150 countries. We have a payment method for every audience.

Forget about compliance issues

We are aware of local requirements in various regions. Forget about wasting time analyzing the markets and license requirements

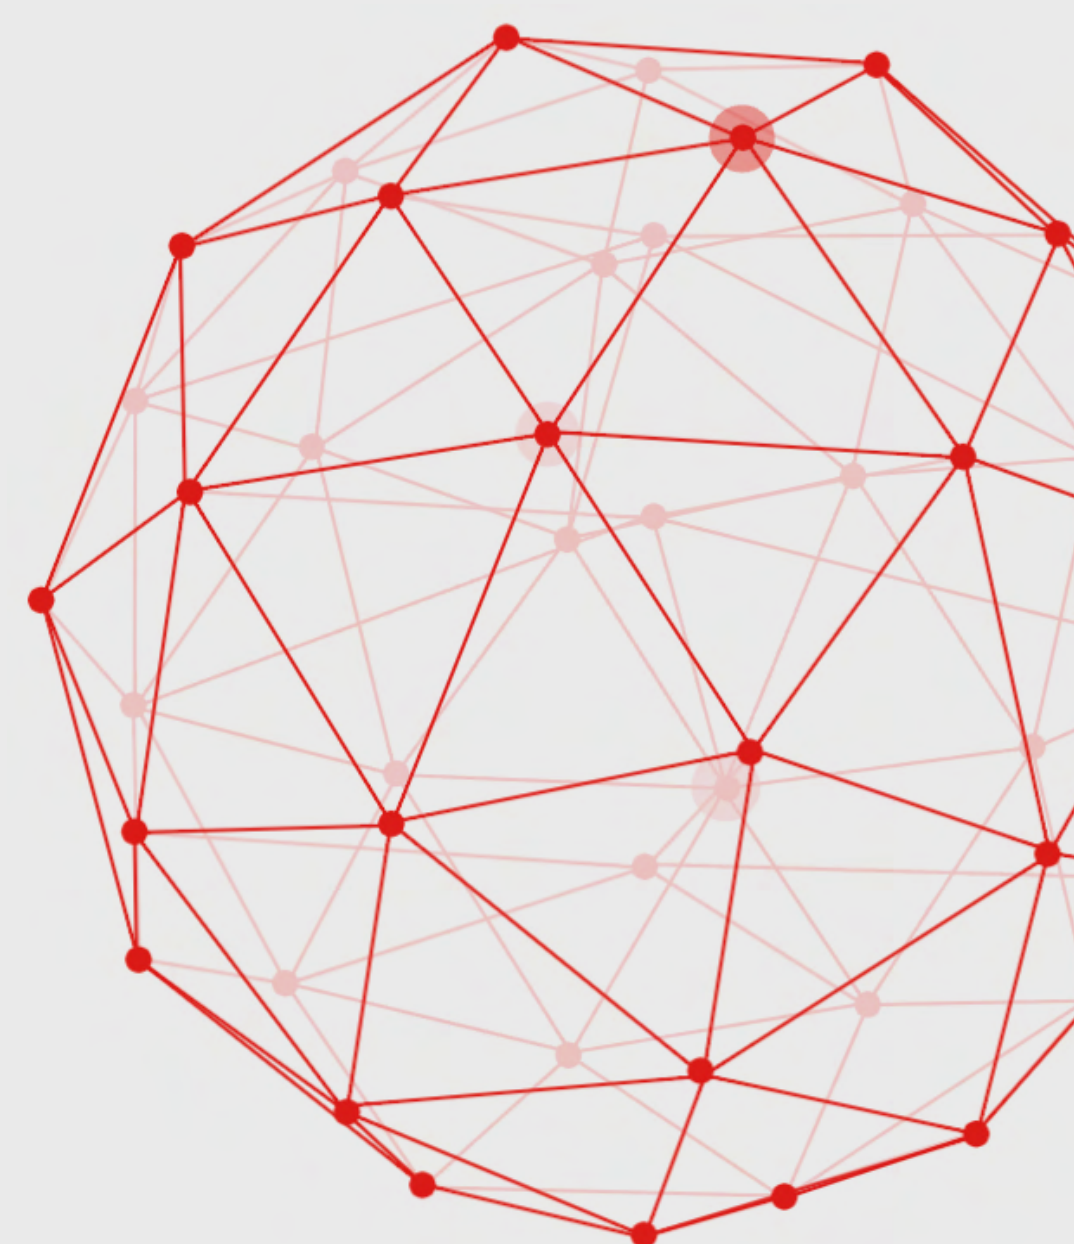

Let them know about your game

Attract new audiences, and build new income streams with our marketing and distribution solutions.

Never miss a payment

Give your team some time to chill! 1D3 support never sleeps. If there s a payment issue, we will take care of it.
